

# JOCKEY MOUNT FEE UPDATE

On Wednesday, May 14<sup>th</sup>, the ITHA board had a special meeting to discuss whether any legal action, if any, should be taken against the jockeys. Previously, through a unanimous vote, the attorneys were authorized to prepare anti-trust suit (price fixing). Again, through a unanimous vote of 11 directors present, the board decided not to pursue any legal action. Currently, the majority of the jockeys are riding for a \$30 per mount fee increase over the old scale. Although, most of the jockeys are riding for the old scale and two jockeys have a special higher scale. The Illinois Racing Board through the steward's special directive requires "the trainer to guarantee the mount fee in absence of the owner upon entry". If you are an owner, make sure you discuss the mount fee with your trainer before entering a horse. Trainers have received the various fee scales and who is riding for what. The HGCA will continue to deduct mount fees from each individual owner's account. Again, make sure you or your trainer (on your behalf) have contacted the horsemen's bookkeeper to authorize any new deduction.
